

The UW Eye Research Institute presents

VISION AT THE ZOO

**Saturday, June 18, 2011
9:30 AM TO 11:30 AM**

**at the Visitor Center
HENRY VILAS ZOO**

Due to a generous gift, the event is FREE. However, advance registration is required and opens May 1st. To register, contact: 608-265-4023; info@vision.wisc.edu

(space is limited to 30 adults and children, entry tickets will be mailed upon registration confirmation)

Meet a walking stick, a hedgehog, and a python & learn about their eyes!

Following the program, lunch & beverages will be served.

At the event, you can help the UW Eye Research Institute support healthy animal vision by making a donation to the Zoo Fund for Animal Vision Health.

A generous gift in memory of Anne Beck brings this year's event to the public free of charge.
